Business productivity with robust colour performance

Models

Lexmark X792 Family
The Lexmark X792 Family colour MFPs elevate your workgroup productivity through brilliant colour printing, productivity solutions, flexible features and an intuitive colour touch screen.

Other available models:
Lexmark X792de: Includes duplex and hard disk
Lexmark X792dte: Includes duplex, hard disk, three 550-sheet trays and caster base
Lexmark X792dtfe: Includes duplex, hard disk, two 550-sheet trays, stapling and caster base
Lexmark X792dtpe: Includes duplex, hard disk, two 550-sheet trays, stapling with hole punch and caster base
Lexmark X792dtme: Includes duplex, hard disk, two 550-sheet trays, a five-bin mailbox and caster base
Lexmark X792dtse: Includes duplex, hard disk, two 550-sheet trays, an offset stacker and caster base

LEXMARK

Lexmark X792 Family: key features

Lexmark X792de colour laser MFP shown with optional input drawers, hard disk, stapler with hole punch finisher and caster base.

Features that help you optimize your work

1) Intuitive colour touch screen
The extra large 10.2-inch colour touch screen allows you to operate your printer with ease and confidence through smart and intuitive navigation, easy access to workflow solutions and shortcuts, and the ability to preview your documents and print jobs at the device.

2) Flexible output options
Choose from four output options, including a five-bin mailbox, an offset stacker, a staple finisher, and a staple with hole punch finisher.

3) Duplex automatic document feeder (DADF)
Save time by scanning both sides of your document in one pass with robust colour-scanning capabilities and an input capacity of up to 75 pages.

4) Direct USB
The front USB port allows for convenient walk-up preview, printing and scanning, and is compatible with most printable image file formats.

5) Lexmark solutions
Reduce unnecessary printing and simplify work processes through solutions applications preloaded on your device. Choose additional Lexmark solutions to fit your unique workflow needs.

6) Long-lasting toner
The Lexmark Extra High Yield Print Cartridge delivers up to 20,000* pages, reducing interventions, cartridge waste and cost.

7) Eco-friendly features
Easy-to-access features make it easy to print responsibly, including Eco-Mode to reduce paper and toner consumption, and the Sleep button and Hibernate Mode to help you save energy.

* Average continuous black or composite CMY declared cartridge yield in accordance with ISO/IEC 19798

Robust Colour Printing

Designed for busy colour printing environments, the Lexmark X792 Family delivers vibrant, professional quality output that is consistent from the first page to the last.

- Lexmark Extra High Yield Print Cartridge available, offering yields of up to 20,000* pages
- Print and copy in duplex at speeds as fast as 50 ppm in both black and colour
- PANTONE® calibration for consistent colour tones
- Named Coluor Replacement for easy colour matching
- Lexmark Colour Care Technology to manage colour usage and control costs
- Instant warm-up fuser to help reduce energy consumption and improve time to first page

Business Productivity

The Lexmark X792 Family combines exceptional multifunction performance with time-saving applications designed to make you more productive. These MFPs can deliver the performance of much larger copiers, but with a smaller footprint and a more affordable price.

- Duplex scanning to scan both sides of your documents in one pass
- Advanced copy functions let you interrupt long print runs to make a quick copy, and proof the first copy set before completing your copy job
- Scan to multiple destinations, including scan to email, scan to FTP, scan to fax, scan to network, and more
- Preloaded applications to drive greater efficiency, and Lexmark Embedded Solutions Framework to further extend the capabilities of the device

Flexibility

Select from a number of expandability options and finishing features you would expect from more expensive products.

- Ultra-reliable paper feeding to support diverse media, including card stock, labels, UV-resistant outdoor media, banner media and more
- Robust output options, including a five-bin user-assignable mailbox, an offset stacker, a staple finisher, and a staple with hole punch finisher
- Input capacity expandable up to 2,650 sheets with a high-capacity feeder or extra drawers
- Connectivity and application solution cards allow integration into most IT environments

Easy and Intuitive

The Lexmark X792 Family is designed for easy operation and maintenance.

- Extra large, easy to navigate 10.2-inch colour touch screen provides audible and tactile feedback to make completing tasks intuitive
- Print and scan preview features help you select documents or specific pages within a document
- Directional lights on the device provide visual cues to guide you through tasks and maintenance operations
- Eco-friendly settings such as the Sleep button and Hibernate Mode
- Available device fleet management software

* Average continuous black or composite CMY declared cartridge yield in accordance with ISO/IEC 19798

Print Less. Save More.

Print less? This may seem like a surprising message for a company dedicated solely to printing. But when you consider that businesses spend, on average, up to 6% of their turnover on printing, and that active print management can cut office print costs by up to 30%*, it makes a lot of sense. Lexmark products, solutions and services provide innovative ways to save you time, drive down costs and reduce your impact on the environment. We are committed to helping you print less and save more.

Solutions

Save time and money through solutions

Reduce unnecessary printing and simplify work processes through Lexmark solutions. The X792 Family features the Lexmark Embedded Solutions Framework (eSF), our platform that enables you to add a wide range of software applications directly onto the device. Solutions are designed with your productivity in mind, helping you streamline—or even eliminate—paper intensive business processes.

The following are solutions that come preloaded on the X792 Family:

Forms and Favourites
Eliminate waste and inefficiencies associated with preprinted forms. Store frequently printed forms, marketing materials or other documents online, then print them on demand.

Scan to Network
Scan a hardcopy document and route the image to one of 30 predefined personal or public shared network folders.

Change Language**
Easily switch the language displayed on the touch screen – 18 languages supported.

The following are a few of the Lexmark solutions available through authorized partners or Lexmark Professional Services:

Showroom
Display a customizable, scrolling slideshow on the colour touch screen to promote your business or products, or to communicate important messages to your customers or employees.

Card Copy
Save time and effort in copying identification cards, licenses and insurance cards by automatically scanning, enlarging and printing both sides of a two-sided card onto one side of a sheet of paper.
Background and Idle Screen
Change the touch screen background to your corporate logo, a unique message or select one of four available screens.

** Option to Change Language during installation

Make a lasting impression with award-winning colour

The documents you print define an important image – yours. That's why Lexmark's colour MFPs help businesses be more productive and stand out with vibrant colour. With the ability to print professional quality colour in-house, you can add instant impact and save costs by virtually eliminating the need to outsource print jobs. Lexmark also offers a host of colour-access and control tools to manage costs.

Functions

The right touch

The Lexmark e-Task colour touch screen is a key access point to your printer. The extra large customizable 10.2-inch interface gives you the ability to preview thumbnails of documents prior to printing, as well as change print jobs at the device. You can even view, select and print specific pages within a document directly from the touch screen. Its easy-to-use, intuitive navigation provides fast access to the functions, shortcuts and workflows you use most, and through the MyMFP feature, you can tailor your device with personal settings. New interactive sensory features provide both tactile and audible feedback, helping to guide you through each operation, confirming a touch has registered and indicating an action is transpiring.

Protecting your information

From the data traveling through your network to the pages being printed, Lexmark's innovative security controls give you peace of mind that your valuable corporate data is protected at every stage.

- Cutting-edge user authentication and authorization controls, including LDAP, help protect your device and data
- Card reader option to add an extra layer of security
- Hard disk encryption protects sensitive data on the disk drive
- Automatic, scheduled or manual disk wiping
- IPSec, SNMPv3 and 802.1x network security supported

- Security-audit logging to help track and identify security risks

True Image Always

Lexmark is dedicated to designing and manufacturing products that deliver exceptional quality and reliable performance. Maximize the return on your investment, extend the service life of your Lexmark printing equipment, and make a lasting impression by always insisting on Lexmark Genuine Supplies, Service and Parts. Lexmark X792 Family colour laser printers are backed by a one-year base warranty. For further protection against unexpected expenses or downtime, extended warranty offerings are available.

Eco-responsible printing

Printing responsibly means everyone wins – your business, your budget and the environment. Lexmark's award-winning products are designed for ease of use, high quality output and reliable performance, with innovative capabilities that help you minimize the number of cartridges you use over the life of the printer and conserve paper and energy. Our goal is to design, package and deliver innovative products and solutions in an environmentally responsible manner.

Recommended Monthly Page Volume
«Recommended Monthly Page Volume» is a range of pages that helps customers evaluate Lexmark's product offerings based on the average number of pages customers plan to print on the device each month. Lexmark recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed, and typical customer usage.

Maximum Monthly Duty Cycle
«Maximum Monthly Duty Cycle» is defined as the maximum number of pages a device could deliver in a month using a multishift operation. This metric provides a comparison of robustness in relation to other Lexmark printers and MFPs.
